Profile

Head of Strategic Procurement in the mechanical engineering sector with extensive experience in direct-material category management, supplier development and negotiation. Leading procurement for an industrial pump manufacturer, with responsibility for approx. EUR 85m annual spend. Irish national, based in Germany since 1999.

Experience

Rheinmark Industrietechnik GmbH, Mannheim — Apr 2016 – present

Head of Strategic Procurement — Jan 2018 – present

- Managed a six-person strategic procurement team; approx. EUR 85m annual direct material spend.
- Category strategies, supplier risk management, KPIs and reporting to the managing director.
- Procurement lead for the SAP S/4HANA migration (2019–2020).
- Leading implementation of LkSG supplier due diligence processes (since 2023).
- Secured supply through the 2021–2022 shortages by qualifying alternative motor and electronics suppliers and agreeing safety stocks for critical items.
- Delivered 3% annual cost savings.

Senior Strategic Buyer — from Apr 2016

- Castings, motors and seals: negotiations, framework agreements, supplier audits with Quality.

Neckartal Hydraulik GmbH, Heilbronn

Strategic Buyer — Jul 2009 – Mar 2016

- Forgings, castings and machined steel parts, approx. EUR 30–38m annual spend.
- Supplier selection and development in Germany, Czech Republic and Poland.
- Introduced dual sourcing for cylinder tubes after a 2011 supply disruption.
- Supplier development for two Czech forging suppliers, including on-site audits.

Brandt & Söhne Fördertechnik GmbH, Wiesloch

Buyer — Sep 2005 – Jun 2009

- Purchasing of machined parts, sheet-metal parts and standard components (SAP R/3).
- Introduced a supplier evaluation scorecard for machined parts.

Kessler Antriebstechnik GmbH, Mannheim

Commercial Assistant, Export Sales Administration — Sep 1999 – Aug 2001

- Order processing and correspondence for English-speaking export customers; export documentation.

Education

2001 – 2005	Diplom-Wirtschaftsingenieur (FH), Industrial Engineering and Management (procurement and logistics), Hochschule Kurpfalz für Technik und Wirtschaft, Mannheim – grade 2.1
1997 – 1999	Business Studies, Suir Valley Institute of Technology, Waterford, Ireland

Training

2023	LkSG in practice (one-day seminar)
2019	SAP S/4HANA key user training, procurement (MM)
2018 – 2019	Leadership development programme, Rheinmark Industrietechnik
2012	Negotiation techniques in purchasing (two-day seminar)
